# A PERSONAL INVITATION FROM THE CONSIGNORS

The producers of Shorthorns and Polled Shorthorns throughout Southwest Iowa extend you a cordial invitation to attend our Shorthorn and Polled Shorthorn Show and Sale on Thursday, September 18, 1952, at the Bradley Sale Barn, Red Oak, Iowa. We are extremely proud of our offering in females of exceptional blood lines and impressive bulls.

We are proud to be engaged in the production of Shorthorn cattle. Our great state of Iowa is the leader in this industry. The cattle offered have been consigned by responsible producers within Southwest Iowa. These herds have been in operation for many years. Their cattle are healthy. They are prolific. They comprise outstanding bulls and females of the Shorthorn breed.

We will welcome as our guests, breeders of Shorthorn and Polled Shorthorn cattle, members of 4-H clubs, farmers, ranchers, bankers, business and professional men and ladies. You will enjoy the show. You will find individuals you need whether for herd improvement or foundation purposes.

## GENERAL INFORMATION

**TIME**—Thursday, September 18, 1952. Show will start at 9:30 a.m. Sale will start at 12:30 noon.

**LOCATION**—The show and sale will be held at the Bradley Sale Barn, Red Oak, Iowa, through the courtesy of L. V. Bradley. The facilities of the the Bradley Sale Barn are excellent. They have plenty of parking space for trucks and cars, nice roomy stalls for cattle. The sale pavilion is well ventilated and lighted, most convenient for buyers and owners, everyone interested in better cattle.

**TERMS**—The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately on the conclusion of the auction. All stock will be at buyers risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchaser.

**GUARANTEE**—All cattle are sold subject to a sixty day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to serve until 16 months old or run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought, and if, after a test in the seller's herd he still fails to breed, he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at time of sale are guaranteed to be breeders. Animals returned to seller because they do not comply with the guarantee will be at the buyer's cost of transportation.

Any claim for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale.

The above guarantee and terms shall constitute a contract between the consignor and the buyer of each lot. Neither the sale manager nor the clerk of this sale assumes any liability, legal or otherwise.

**PEDIGREE CERTIFICATES**—A certificate of registry and a transfer will be furnished for each lot sold and an application for registry will be furnished for each lot sold at foot and for each unborn calf sold in dam.

When footnotes appear in this catalogue they were furnished by the consignor or written from information supplied by the consignor.

**MAIL BIDS**—Those wishing to buy at this sale who cannot attend in person may send their bids to the Sale Manager or to Jack Halsey, auctioneer, Mervin Aegerter of the Shorthorn World, Clem Larson, Fieldman for the American Shorthorn Breeders' Association, Albert Hamann, Field Representative for the Iowa Shorthorn Breeders' Association, Arden Aegerter, Fieldman for the Journal Stockman or M. T. White, Field Representative for Wallaces' Farmer, all of these men in care of the Secretary who will see that they are delivered to the parties who are entrusted with your order. Any of these men are qualified to know good cattle. Your order sent to them will be carefully and honestly taken care of.

We will not be responsible for any accidents that may occur but will make every effort to provide for the safety and comfort of our guests.

The calf with what you would call a small bone generally makes the show winner.

LAVENDER LILY 2d 2677-717—this good Lavender heifer is large for her age and is in good breeding condition but not in show shape as we just decided to sell her and have not fed her grain very long. She is a granddaughter of Edellyn Royal Leader. Pretested and vaccinated for Bangs.

You had better keep fewer and better ones than to buy more pasture land.
